'Between two worlds, dream and reality.
What I can't put into words,
I make visible.'

'What you see is what you get, in my images and in who I am.
For years, I've kept a kind of night diary, where thoughts and feelings are free to unfold.
Some nights are dark, some are funny. Each piece is a brief truth, raw and pure.'

SUNouSAN (Sun van Nieuwburg)
Lives and works in Cassis (FR) and Schipluiden (NL)
